US 41 Project lane closures for June 3 – June 7

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for June 3– June 7 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Winnebago County

US 41

Drivers will encounter 11-foot travel lanes, reduced shoulders, and a reduced speed limit to 55 mph from US 45 to Witzel Avenue.

Brown County

US 41

Drivers should anticipate various, overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include shutdowns by local authorities for accidents or natural disasters.

Drivers can also expect the following ramp closures:

- Tuesday, June 4 – Southbound US 41 on-ramp from Ashland Ave will be closed from 10 p.m. to 2 a.m.

- Thursday, June 6 – Southbound US 41 off-ramp to Scheuring Road will be closed from 9 p.m. to 1 a.m.
- A 12-day full closure of the northbound US 41 off-ramp to Ashland Avenue began May 30. The full closure is due to ramp reconstruction. Drivers are to use the following alternate route: Traffic to follow northbound US 41 to eastbound WIS 172 to Ashland Avenue

WIS 29

Drivers can expect single lane closures on eastbound and westbound WIS 29 between County J and Packerland Drive, Monday, June 3 through Thursday, June 6 from 6 p.m. to 6 a.m. and on Friday, from 8 p.m. to 9 a.m. There will also be lane closures on northbound and southbound Packerland Drive Monday through Friday from 6 p.m. to 6 a.m. Eastbound WIS 29 between County J and Packerland Drive will have daytime single lane closures on Tuesday, June 4 from 8 a.m. to 2 p.m. On Wednesday, June 5, westbound WIS 29 between Packerland Drive and County J will have single lane closures until 2 p.m.

In addition, there will be a full closure of westbound WIS 29 between northbound and southbound US 41 ramps on Monday, June 3 and Thursday, June 6 from 9 p.m. to 5 a.m. Detour as follows:

- Westbound WIS 29 traffic to travel north on US 41 to Velp Avenue, travel west on Velp Avenue to access southbound US 41, and follow southbound US 41 to westbound WIS 29.

WIS 29 Tub girders

Over the next few weeks, steel tub girders will be lift and set to construct the WIS 29/US 41 interchange flyover ramps. Drivers can expect various full overnight closures of US 41, WIS 29 and/or nearby ramps during these lifts. WisDOT will send a road closure alert and suggested detour to media, www.US41Wisconsin.gov, and social media a day prior to the expected girder lift. Tub girder lifts are weather dependent and subject to change. If you have any questions regarding the steel tub girder lifts, please contact US 41 Communication Manager Mark Kantola at 920-492-4153 or email at mark.kantola@dot.wi.gov.

Drivers can expect a full overnight closure for the southbound US 41 off-ramp to WIS 29. The closure will be from 6 p.m. Monday, June 3 through 6 a.m. Tuesday morning, June 4 to set steel tub girders. The following detour will be in place:

- **Southbound US 41** traffic wanting to exit WIS 29 will be detoured to exit at Mason Street

- **Eastbound WIS 29** traffic to take Mason Street east to Military Avenue and follow Military Avenue northbound back to eastbound WIS 29
- **Westbound WIS 29** traffic to take Mason Street west to Packerland Drive and follow Packerland Drive northbound back to westbound WIS 29

I-43/Leo Frigo Bridge

Brown County - Southbound I-43 at the Leo Frigo Memorial Bridge is reduced to a single lane of traffic with speeds reduced to 55 mph over a 3.5-mile segment of the highway through July 2013. The southbound I-43 on-ramp from Atkinson Drive is closed until June 28, 2013. Expect significant travel delays. The Military Avenue Bridge over I-43 will close on Monday, June 3 and is expected to be open by mid-July of this summer. Atkinson Drive over I-43 is an optional route for drivers who use Military Avenue.

All lane restrictions and work operations are weather dependent and subject to change.
